You should bring the following to the exam:

- Several sharpened No. 2 pencils (with erasers) for all multiple-choice answer sheets.
- Black or dark-blue ballpoint pens for completing areas on the exam booklet covers and for free-response questions in most exams.
- A watch (in case your exam room does not have a clock that you can see easily).
- A calculator with the necessary capabilities if you're taking an AP Calculus, Chemistry, Physics, or Statistics exam. Visit www.collegeboard.com/apstudents to learn more about the calculator policy for each of these exams, and for a list of authorized calculators.
- A ruler or straightedge if you're taking an AP Physics Exam.
- Your social security number for identification purposes (optional). If you provide it, the number will appear on your AP Grade Reports.

You should not bring the following to the exam:

- Books, compasses, correction fluid, dictionaries, highlighters, or notes.
- Rulers and straightedges (except as noted above).
- Scratch paper (notes can be made on portions of the exam booklets).
- Computers (except as noted for students with disabilities), or calculators (except as noted above).
- Watches that beep or have an alarm
- Portable listening or recording devices (even with headphones) or photographic equipment.
- Beepers, cellular phones, or personal data assistants (PDAs)
- Clothing with subject-related information
- Food or drinks

You are required to arrive no later than 15 minutes prior to your exam. The early arrival time is for distribution of materials and seat placement. Please be on time. Students may not be dismissed until an exam has officially ended. Do not ask to leave early if you finish before the end of the test, as your request will be denied. If you play a sport or have a job, it will be your responsibility to inform your coach or employer of your AP obligation and arrangements should be made accordingly.

Get a good night's rest before your test, and eat a nutritious breakfast. You are allowed to bring a snack and beverage for your 10-minute break. However, eating is prohibited while you are taking an exam. All students testing in the afternoon need to make arrangements with your 3rd block teacher to eat first lunch. It is advisable to bring a sweater, in case the room temperature is below your comfort level.

You are required to abide by the policies of both the College Board and <Bryan Station> during the exam period. Any misconduct will be reported and could jeopardize your AP Exam grade

Be sure to review the "AP Bulletin for Students & Parents" that you received in February from your AP teacher prior to registration. If you have any additional questions or concerns, feel free to contact me. Good luck!!
