Lexington, KY 40505  
Ph. (859) 381-3308  
Fax (859) 381-3330

Dear Parent/Guardian,

Bryan Station High School recognizes the importance of a strong partnership between the school and the home in the overall success of students. To ensure that all parents/guardians will be involved in this partnership, BSHS will work to eliminate barriers that may restrict parents/guardians from involvement in school.

If transportation is not available to the parent/guardian, efforts will be made to provide it through the Youth Service Center. As an alternative to coming to the school, staff members that include Youth Service Center Coordinator, and social workers may make home visits. If childcare is a deterrent, the YSC will assist in the coordination of that service.

BSHS will make every effort to accommodate a parent or guardian with a disability. The school complies with federal structural guidelines as outlined by the federal government. In the case of a communication disability, use of a translator or adaptive technology will be implemented.

If the parent/guardian has limited English proficiency, a translator will be provided when possible, as well as translations of pertinent school documents. In the case of Spanish, French, or German speakers, we are able to utilize staff members who are native or fluent speakers.

BSHS values the contributions of parents/guardians and will continue to encourage full participation by all parents.
